

STARIA Panel Van

For businesses on the move.

A business that's going places needs a vehicle that can keep up. Meet the Hyundai STARIA Panel Van, built for businesses and side hustles that are ready to move up a gear. With ample cargo space, dependable diesel power and a look that says: Ready for business, it's made to take on whatever your day brings.

Workmanship that works.

It's robust exterior and futuristic design, with distinct grille and 17" alloy wheels, give the Hyundai STARIA Panel Van the presence to stand out while handling the realities of the everyday work load. From its strong exterior lines to its practical sliding doors, every detail is designed to get the job done.

Flexible. Capable. Adaptable.

Merging practicality with style and efficiency, the Hyundai STARIA Panel Van combines generous space with a range of advanced features. The multifunction steering wheel keeps key functions close at hand, while the dashboard puts the audio and manual air-conditioning controls within easy reach.

With a generous 4,935-litre VDA cargo volume, a loading height of 573mm and a maximum payload of up to 1,125 kg, it gives you the space and capacity to take on more.

Business in the back. Safety all round.

Built to keep you moving and your business protected, the STARIA Panel Van comes equipped with Dual Front Airbags, Anti-lock Braking System (ABS), Electronic Stability Programme (ESP) and Hill-start Assist Control (HAC) to help you stay in control through busy workdays and challenging conditions. Front and Rear Park Assist gives you added confidence, making even the tightest manoeuvres easier to handle.

The business of convenience.

Complete with Cruise Control, Manual Air Conditioning, and Electric Front Windows for effortless operation on the move, the STARIA Panel Van puts practical convenience at your fingertips.
